Dear: (Mail merge)

We would like to share our exciting news with you. The Bridge to Life can be accessed on our Website, Facebook or on Google. This empowers women in all five boroughs to contact us for help. Our clients are pregnant girls and women from New York City who are in dire need of maternity clothes, maternity homes or permanent housing, medical care, baby clothes or request an ultrasound. We refer them to the proper agencies, but mostly assure them that they will receive material assistance from us. They can contact us Tuesday through Friday, and Saturday morning and we have a 24 hour hotline for moms who call us after hours. We reassure them of our sympathetic support and calm their fears when they have been abandoned by family, friends or society.

The services that we provide are all free of charge thanks to the generosity of our benefactors and volunteers. When clients come to our door, they are greeted by our staff who provide support and items for themselves and/or their children. The Bridge to Life relies on community support to fulfill our mission of helping women choose life.

There are many ways that you may assist us. Some of them are: Donating new or gently used infant* or children's clothing and supplies, Volunteering at either our Flushing or Astoria facility, Making a year-end contribution to the Bridge to Life, or becoming a regular donor.

On behalf of the Board of Directors and the staff at The Bridge to Life, we wish you a wonderful holiday season. Thank you for continued support as we provide needed services to pregnant women and their families during these financially difficult times.
